W. C. T. U. MEETING

FRANCES WILLARD
(By Press Reporter)
The Frances Willard W. C. T. U. held its regular meeting Tuesday afternoon at the home of Mrs. Cinda Porter, with 31 present, members and visitors.

After America was sung, Mrs. Winters had the devotionals, reading Psalms 147 and 150. It being near the Thanksgiving season, these two Psalms seemed especially appropriate in that the entire thought is praise and thanksgiving to God for his many blessings through the past year.

Subject for the program was Christian Citizenship. Mrs. Lathaw, superintendent, was leader.

Mrs. Creveling spoke on the subject and emphasized the need of more prayer.

Mrs. Lathaw read a splendid article on the "Sacredness and Service of the Home," written by Dr. Joseph Hogue. He said whatever is the character of the home is the character of the nation.

Paper, "The Effect of Immoral Movies"—Mrs. Koeley.
"The Inconsistent Christian"—Mrs. Pyle

Talk, "The Need of Prayer"—Mrs. J. W. Walker.
"The Need of Christian Homes and Good Influence on the Children"—Mrs. Porter.

A cause for thanksgiving—the death knell of "medical beer." There is no beer for the sick, no beer for the well, only near beer for all. The passage of the anti-beer bill is a victory for law enforcement, a triumph over the filibuster, and it blasts all hope for the return of both beverages and medical beer by this congress.

Dr. Baker, who is holding meetings at the Baptist church, gave a splendid talk. He said we have had intemperance for centuries. It is in the blood, and it will take time to enforce the prohibition laws. He also said the work is not done, but conditions today are very encouraging, etc.

During the social hour refreshments were served by Mrs. Faust, Mrs. Gilmore and Mrs. Staats.
Adjourned to meet Dec. 13 with Mrs. Hubert Walker, Park street.

ENDEAVOR SOCIETY TO PRESENT PLAY

On Friday evening, Dec. 2, at the high school auditorium, the three-act comedy, "Marry's Millions," by F. G. Johnson, is to be presented under the auspices of the Christian Endeavor society of the Vine street Church of Christ.

The play is filled with humor, two of the scenes being laid in a country store, the other an exterior. There are 11 young people in the cast, and ten additional persons to form a "rube" choir. The latter is exceedingly humorous.

The tickets for the production are now on sale, and reserved seats will be placed on sale Monday morning with no additional charge. A great many seats already have been sold.

The people of Mt. Vernon are promised a rare treat when they see this play. The cast of characters will be announced in a few days.

R. & R. ATTENDANCE IS BACK TO NORMAL

Warner, Sevits and C. Van Voorhis Each Shoot 194 With 15 Bullseyes

Attendance at the weekly shoot of the Mt. Vernon Rifle & Revolver club on Friday evening at their indoor range at the C. of C. building for the first time in several weeks was back to the normal figure. It is possible that this was due in some degree to the return of R. R. Warner and Carl Stoughton from their hunting trip near Collins, Ontario, Canada, and an expectation to hear from them some interesting accounts at first hand of incidents of that trip.

The competition was marked by a triple tie between R. R. Warner, W. H. Sevits and Carl VanVoorhis. Each made a score of 194. Each further made 15 bullseyes. Groupings, made upon the basis of the famous theory of relativity advanced by Prof. Einstein of Germany ultimately distributed the honors in the order given, Warner, Sevits and VanVoorhis.

A second tied score also was hung up by F. VanVoorhis and S. M. Woolson, each making a total of 189. The determination of the honors in this case, however, was simpler inasmuch as it was found VanVoorhis had scored 12 bullseyes and Woolson 11.

The scores as posted are:
W. VanHorn—198.
D. McMillen—197.
R. R. Warner—194.
W. H. Sevits—194.
C. VanVoorhis—194.
E. T. Quidor—193.
C. Pipes—190.
F. VanVoorhis—189.
S. M. Woolson—189.
C. Stoughton—185.
H. L. Russell—182.

DEMOSSE ADMITS HIS GUILT; BOUND OVER

Accused Check Worker Changes Plea When Brought Before Justice Harter

James N. DeMoss, who is accused of having passed two worthless checks on Knox county men and to have taken an automobile not his own to West Virginia, was brought before Justice Harter Saturday morning. He changed his plea to guilty on each of the charges against him.

When first arraigned before Justice Harter DeMoss had made a plea of not guilty to the charges and his hearing had been set for Saturday morning. When his case was called he informed the court of his desire to withdraw his former plea and to admit his guilt as charged.

DeMoss was held to the common pleas court under \$500 bond which he was not able to give. He was returned to the county jail.

All Due to the Women.
In a lecture before the Royal Institute, Prof. Arthur Keith, an eminent biologist, gave the credit for American success to the women who came over with the Pilgrim fathers. The fact that these Englishmen brought their wives with them is responsible for the remarkably sturdy condition of the American people; whereas the Spaniards who went into Central and South America left their wives behind, and the result is a hybrid race which is not the equal of the original Iberian.

ONE PLEADS GUILTY; FOUR ASK FOR DELAY

Gambling Cases Called In Justice's Court—Hyatt Is Given \$15 and Costs

The cases alleging gambling by Robert Lynde, George Wisner, Lowell Myers, James Beal and Dwight H. Hyatt were called in the court of Justice George S. Harter at 1:30 Saturday afternoon. Of the five, but one was disposed of, a plea of guilty being made by Hyatt. He was given a fine of \$15 and the costs, the total being \$25.

A continuance was asked of the court in behalf of Lynde, Wisner, Myers and Beal. This was agreed to by Prosecutor P. M. Ashbaugh, and the cases against the four were reset for hearing on Monday, Dec. 5, at 1:30.

All these charges are the result of a raid made by county officers on a barn at the Butler farm, near Danville, early last Wednesday morning.

ADJUSTED COMPENSATION

The soldiers' adjusted compensation is now a part of the constitution of Ohio. Approximately one million of people of Ohio voted for this adjustment.

A \$100 bond purchased by each of one-fourth of this number would raise the \$25,000,000 required for this adjustment. One day is time enough for the executive and legislative authorities of our state to order such a bond pledged. If this were done, and bonds issued in denominations of \$100, \$500 and \$1,000 and ordered sold to the people of Ohio by the banks of Ohio without charge, I have faith enough to believe that they would be sold in 30 days. These bonds are to draw interest and to be non-taxable. Why not give the people who supported the soldiers in the war a chance to adjust their compensation now?

Why not pay our soldiers their money due them in a lump sum? Then they can invest it to some advantage. Why pay them in payments of \$10 a month as if they were wards of the state? We were very grateful indeed to have them for our guardians during the war. Why not let them be their own guardians now?

Judging the future by the past, many of the boys would invest their money in the above-named bonds. An article recently in one of our county papers stated that worthless bonds to the amount of \$250,000,000 had been sold to citizens of Knox county since the world war closed.

We, the teachers of Ohio, are now compelled by law to teach thrift in our schools. Why not give us a chance to recommend adjusted compensation bonds to our patrons? We believe if we legislate for the people we shall have good times; but if we legislate for corporations against the people we will have hard times. Why not keep our country a government "Of the people, by the people, and for the people"?
